Every experience concludes around our beautifully styled 24-seater dining table, thoughtfully set by the BAMBŪ HAUS team for a shared feast, and, of course, that perfect Instagram-worthy moment.

HOW IT WORKS:

Bold Ottolenghi flavours, great company, & good vibes all round. Each cooking island hosts 8 guests, working together to prepare three curated dishes per group.

Every station is fully equipped with all the ingredients, tools, and printed recipe cards you'll need. Our team will guide you step by step, so whether you're a seasoned cook or a total beginner, you're in good hands.

And if cooking isn't your thing? No pressure. You're welcome to simply sip, chat, and soak up the atmosphere. This experience is as much about connection as it is about food.

Let the cooking party begin! *Chop, roast, taste, repeat.*

Once the cooking is done, sit down and enjoy your creations at a beautifully themed table, thoughtfully set by our team.

Cookbook Club

HOW IT WORKS:

You'll be divided into 3 groups, with a maximum of 8 guests per group. Each group will choose 3 recipes from the curated selection, resulting in 9 shared dishes for a group of 24.

Each cooking station is fully equipped with all the necessary ingredients, tools, and printed recipe cards. Our team will guide you throughout the process, so there's no need to be a confident cook to take part.

And if you would prefer to step back, chat, and enjoy the atmosphere, that's absolutely welcome too. This experience is about having fun, not pressure.

Once the cooking is complete, we'll come together to plate and present the dishes, sharing ideas and finishing touches as a group. Then it's time to gather around a beautifully styled table, enjoy the meal, connect, and make new friends.

This is a relaxed, no-pressure environment, so sip something delicious, laugh a little, and enjoy the process from start to finish.

Mystery Cooking Box Challenge

HOW IT WORKS:

Bring your group together for a fast-paced, hands-on cooking experience that's equal parts fun and creative. The Mystery Cooking Box Challenge transforms any gathering into an engaging and memorable event.

Whether you're strengthening teamwork, celebrating a milestone, or energising a corporate function, this challenge encourages collaboration, sparks creativity, and guarantees plenty of laughter, all while putting your culinary instincts to the test.

Each team receives a Mystery Box filled with thoughtfully selected ingredients designed to surprise, inspire, and add just the right amount of pressure, in the best way possible.

Inside the box, you'll find: A bold protein, a versatile starch, fresh, colourful produce and one unexpected curve-ball ingredient to challenge even the most confident cooks.

Your task is simple: Create the most delicious dish possible using every ingredient in the box.

There are no recipes and no Googling, just teamwork, creativity, and a ticking clock. Will you sauté, grill, or take a bold flavour risk no one saw coming?

This is your chance to turn the unknown into something remarkable. Open your box, take a deep breath... And let the culinary challenge begin.

Cooking together. Laughing together. Growing together.

GROUP SIZE: Minimum of 8 people

AMOUNT OF DISHES MADE: 1 mystery dish per group
